

Autowork Online is a web-based application for managing daily workshop activities, creating invoices & maintaining accurate service records

Key Features:

- ▶ No installation required
- ▶ Works from a web browser
- ▶ Quotations, job cards and invoices
- ▶ Comprehensive service records
- ▶ Workshop diary system
- ▶ Parts catalogue with VRM
- ▶ Tyre sales module
- ▶ Repair times and tech data
- ▶ Price and availability lookup
- ▶ Online parts ordering

Autowork Online is a web-based application for managing the business activities associated with a modern garage environment. Its comprehensive array of features controls all aspects of daily activity from the creation of quotations through to the printing of job cards and the production of invoices and service and MoT reminders. Autowork Online runs within a browser window, and so requires no installation or maintenance. All information is stored on secure servers and backed up on a daily basis.

Please contact us for the latest pricing options

- Are you interested in going computerised or advancing to the next level?
- Do you :
- Have a desire for an electronic customer/vehicle database?
- Want to invoice and keep customer & vehicle history?
- Wish to perform a reminder service to your customers – via letter, text or email?

Stop !! If you have answered yes to all of the above then you defiantly qualify for the system and we suggest you speak to an MAM Software advisor on how the system can benefit your business. The rest of the below are just some of the extras to take advantage of plus much more.....

- Would you like to:
- Keep accounting records – what am I owed? What do I owe? Aged debt lists? Send statements?
- Carry out vat returns?
- Create profit margin reports?
- Check stock and prices at your local tms branch and order online?
- Price jobs using the VRM and repair times.
