HDD WATERPROOF FABRIC VEHICLE SEAT COVERS

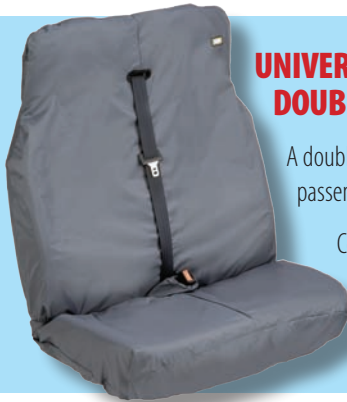

UNIVERSAL FRONT

Total seat coverage. Fits the single seat of many cars and vans. Protects the front & back of the seat – prevents 'foot scuffing'.

Accepts armrests and covers the head rest.

Simple to fit.

UNIVERSAL VAN PASSENGER DOUBLE

A double seat cover which fits the double passenger front seat of most vans.

Covers head rests and accepts 3 point seat belts on both seats.

TRACTOR/PLANT 1

A smaller seat cover suitable for many forklifts, excavators and tractors.

Accepts armrests and headrest.

An alternative to Tractor/Plant 2.

WINGED UNIVERSAL FRONT

Designed to fit LARGER single seats or those with side wings. Total seat coverage. Accepts armrests and covers the head rest.

Suitable for many cars, vans and 4 x 4.

Easy to fit.

UNIVERSAL CAR REAR

A fully adjustable rear car seat cover for seats between 120 – 145 cms wide. Fits most makes of MPV, Estate car and Twincab.

Accepts 3 point seat belts. Does not cover head rests. Complete with full fitting instructions.

TRACTOR/PLANT 2

Designed to fit the larger seat of many tractors, excavators and combines.

Accepts armrests and headrest.

An alternative to Tractor/Plant 1.

AIR BAG COMPATIBLE

This cover is designed for single seats with side impact air bags. It allows the airbag to deploy in the event of an accident.

It accepts armrests and covers the headrest.

Very easy to fit.

FAST FIT REAR

Designed as a 'quick to fit' rear seat cover suitable for many Estate cars, Twincabs and Hatchbacks. Approx 220 x 150 cms. Accepts headrests & 3 point seat belts on all seats. Use also as a boot liner, ground sheet or security cover.

TECHNICIAN'S SEAT COVER

Used by many Motor Mechanics and Technicians to protect the single seat of vehicles while in a garage environment.

Very quick & easy to fit.

Can be used many times and is easily wiped clean.
